Consulting / Advisory | Summer Internship

EDUCATION

University of Nottingham | BSc Psychology | September 2025 - June 2028

First-year average: 68%. Modules include Research Methods, Statistics and Social Psychology.

PROJECTS

Student Service Survey | University Research Project | February - May 2026

Designed a survey about student use of campus support services and analysed 64 anonymous responses.

Compared responses across 2 study-year groups using descriptive statistics and highlighted the small, self-selected sample.

Recommended simplifying the signposting page based on recurring comments; the university had not implemented the recommendation at the time of submission.

EXPERIENCE

Willow Events | Casual Events Assistant | June 2025 - present

Help set up venues, check guest lists and communicate schedule changes to team members.

When a speaker was delayed, coordinated the revised welcome schedule with the event supervisor.

ACTIVITIES

Psychology Society | Peer Support Volunteer | October 2025 - present

Signpost students to university resources and maintain appropriate confidentiality.

Completed a 3-person case competition; owned the customer research slide.

SKILLS

Excel, introductory R, survey analysis and presentation.

Interests: consumer behaviour, running and theatre.
